Hey Artie. Good to hear from you. Things for Passaic on track - the NRRB meeting will take place on Dec. 12 & 13. We are projecting the issuance of a proposed plan in the early Spring (March/April 2013) time frame.

Hi Lisa- Hope all's well and you had a good Thanksgiving. I wanted to touch base with you on the lower Passaic. The last time we talked you said that the FFS was being delayed until December and I wanted to see if we were still on the same timeline and when we can expect to see something publically.

Thanks,
Artie
